History

In November of 1984, two men by the names of Joe Hudson and Walt Jenkins were invited to participate in one of the many trailrides in Harrisburg, Pennsylvania. After a weekend of great fun and adventure, Joe and Walt decided to carve out plans for coordinating a trailride of their own. Under their direction, in May, 1985 twelve distinguished riders participated in a weekend trailride.

Because the event was such an exhilarating experience of true brotherhood, sisterhood, and horsemanship, it served as the ultimate inspiration for a new organization; an organization where true horsemen & women can come together as brothers and sisters to share the love of horses, to enjoy the adventures of riding, and to foster and promote equestrian activities throughout the Washington D.C., Maryland, and Virginia areas.

Thus The United Horsemen's Association was born!
