

The United Horsemen's Association

Who are The United Horsemen's Association?

Founded in 1985, The United Horsemen's Association (UHA) is a western riding organization headquartered in Stafford Virginia. We are a multi-cultural organization participating in trailrides, parades, ponyrides, charitable and civic events with our horses.

What is their mission?

To engage in fellowship with other horse owners and enthusiasts for civic and social activities; & To present a positive influence in the lives of youth through an interest in horses and the equestrian way of life.

October:

Howard Ministries Rodeo Picnic, Ruther Glen VA

November:

Fredericksburg Urban Trailride

Thanksgiving Day Parade, Baltimore MD

December:

Fredericksburg Christmas Parade, Fredericksburg VA

Our History

In November of 1984, two men by the names of Joe Hudson and Walt Jenkins were invited to participate in one of the many trailrides in Harrisburg, Pennsylvania. After a weekend of great fun and adventure, Joe and Walt decided to carve out plans for coordinating a trailride of their own. Under their direction, in May, 1985 twelve distinguished riders participated in a weekend trailride.

Because the event was such an exhilarating experience of true brotherhood, sisterhood, and horsemanship, it served as the ultimate inspiration for a new organization; an organization where true horsemen & women can come together as brothers and sisters to share the love of horses, to enjoy the adventures of riding, and to foster and promote equestrian activities throughout the Washington D.C, Maryland, and Virginia areas.

Thus the United Horsemen's Association was born.

How can I get actively involved with The United Horsemen's Association?

- Become a Member
- Attend UHA Events
- Contribute Financially to the UHA

YES! Please include me on the Friends of The United Horsemen's Association email distribution list for notification of upcoming events.

YES! I want to help ensure the future of young cowboys and cowgirls in the Washington DC metropolitan area.
